SITE RULES

The following rules apply when you setup a site:

1. You can **ONLY** purchase additional storage space when you select the largest plan option.
2. You cannot purchase additional user account packages when you select the FREE plan option.
3. Your site is automatically renewed on a monthly recurring basis on either the monthly anniversary date or the last day of the month.
4. For a FREE account, no credit card is required. For all other accounts, your credit card will be charged the monthly fee for the selected plan and options when you proceed to payment. Your credit card will be billed monthly for these amounts until you modify or cancel your account. Quickly access and work with all documents. Onscreen measuring, redlining and annotation make it easy to get your work done.

The following rules apply when you are operating your site:

1. A User Account is any user of the site who access a project. Users include site administrators and any other person who access a project. There is no restriction on the number of times a user can access a project during the month.
 - o User A is provided access to 2 projects, but does not access any of the projects... **0 accounts used**
 - o User B is provided access to 3 projects, but visits 1 project... **1 account used**
 - o User C is provided access to 3 projects. User C visits all 3 projects several times throughout the month... **3 accounts used**
